OFFICIAL PROCEEDINGS

The following constitutes the official record of the proceedings, discussions, statements, and other matters recorded during the hearing:

The hearing was called to order with both the complainant and respondent present. The nature of the complaint was discussed before the presiding barangay official. Both parties were given the opportunity to present their statements and clarify the circumstances concerning the dispute.

The parties discussed possible means of resolving the matter amicably. The presiding official explained the appropriate barangay conciliation process and reminded both parties to observe proper conduct throughout the proceedings.

After the discussion, the statements and matters raised by both parties were duly noted for the official hearing record.
